Testimonials

Ram Sir has this unique way of mentoring his coachees! He understands the strengths and areas of improvement of each his students and helps them accordingly. I have seen him help students with not so great quant skills score amazing percentiles. Personally, he helped me cultivate discipline and practice which helped me crack CAT and get into IIM Indore!

-Anudeep, IIM Indore

The guidance provided by Sir is one of a kind. He understands the strengths and weaknesses of every student under him and plans out strategies accordingly. The entire preparation process became an engaging and enjoyable experience. I believe the techniques of solving problems that I have learned would not only be helpful for the exam but also for my future career.

- Likitha, IIM Ranchi

Personally and Professionally the best thing about PRK sir is, the way he observes and gauges the understanding level of each student and then tailors his teaching methods accordingly. Sir is an inspiration for hardwork and smart work. Never looks down upon anyone, how silly the doubt may be, sir knows that the doubt may be silly for someone but for the student it is very important for his/her progress

- Keerthan , IIM Lucknow

PRK sir has been instrumental in upskilling my Quant, which helped me crack the first batch of IIM Sambalpur. His invaluable suggestions for interview were unmatched with any of the CAT faculty I have known till now.

-Satish, IIM Sambalpur
